ABOUT US

WE PROVIDE A FULL,
END-TO-END TOUR BUS
SERVICE ACROSS EUROPE.

PREMIUM SERVICE

OUR BUSES TAKE ARTISTS AND THEIR CREW IN STYLE TO EVENT LOCATIONS AROUND THE UK, ACROSS EUROPE AND BEYOND.

Founded in 2000, MM Band Services has a strong reputation in the industry, and an excellent track record in successfully supporting some of the world's leading artists with luxury transport for UK and European tours, festivals and events of all sizes.

With offices in London and Yorkshire and excellent links to Scandinavia and mainland Europe, we offer a friendly, knowledgeable and professional service, with reliable, value for money packages.

The quality of our band tour buses is second to none. Based on the world's finest

sleeper coaches, with fully bespoke, luxury interiors designed and manufactured by experienced craftsmen, they're designed to ensure that everyone travels in comfort, and arrives at every venue refreshed and ready to go.

All our drivers are friendly, English speaking professionals with perfect records, and extensive experience driving artists on UK and European tours.

Reliable, safe and thoroughly vetted, you can trust our teams to be professional, discreet and honest.

"MM BANDSERVICES OFFER A REALLY GOOD SERVICE, WITH GREAT PLANNING ADVICE AND COMPETITIVE PRICING. WORKING WITH THESE GUYS MAKES THE TOURS GO VERY SMOOTHLY. TRY THEM YOU WON'T BE DISAPPOINTED"

DOUBLE DECKERS

COMFORTABLE, STYLISH AND WELL EQUIPPED.

DOUBLE DECKERS

Comfortable, stylish and well equipped, our modern fleet of double decker tour buses is comprised entirely of Van Hool TX27 Astromegas – the finest coaches available in the world today.

Spacious, with superb chassis design and advanced air suspension, these top quality sleeper buses provide a smooth, comfortable ride that's ideal for relaxed, stress-free touring. With quiet, smooth engines, they designed to offer the perfect conditions for passengers to enjoy a quiet, comfortable night's sleep – so your artists and crew arrive feeling refreshed. Our double decker tour buses feature fully bespoke, contemporary interiors,

handcrafted and meticulously maintained by our experienced in-house teams in the UK.

Premium interior features include a fully equipped kitchen, modern bathroom with fresh water toilet, luxurious lounge areas with generously padded seating, extensive storage, and comfortable oversize bunks with high quality bedding.

Available in a range of configurations to sleep 8 – 16, including those designed specifically to cater for stars and their guests, supporting artists and crew, they are perfect for a full range of UK and European tours.

SINGLE DECKERS

FINISHED TO PREMIUM, LUXURY STANDARDS.

SINGLE DECKERS

Finished to exacting, luxury standards by our experienced in house team of craftsmen, our single decker tour buses are perfect for smaller UK and European tours, and those on a tight budget.

The comfortable, modern interiors come generously equipped with the latest entertainment systems, including HD TV, UK Satellite, hard drive movie entertainment, games consoles and surround sound.

Designed to sleep 7-10 passengers in comfort, all our single decker tour buses include a beautiful, modern bathroom and

contemporary kitchen space with icemaker and coffee machine.

Our single decker tour buses are available in two configurations, with a double end bedroom designed to provide comfort and privacy for a feature artist, or an expansive end seating area that's perfect for bands or crew.

Available in a range of configurations to sleep 6 – 12, including those designed specifically to cater for stars and their guests, supporting artists and crew, they are perfect for a full range of UK and European tours.
